EXHIBIT F

Amendment to WWSB Affiliation Agreement with ABC

ORIGINAL

September 14, 1995

AMENDMENT TO
PRIMARY TELEVISION AFFILIATION AGREEMENT

TELEVISION STATION: WWSB

Subject to the terms of the Settlement Agreement between American Broadcasting Companies, Inc. ("ABC" or "we") and Southern Broadcasting Corporation of Sarasota ("SBC" or "you") dated March 7, 1995, ABC hereby rescinds the notice of termination of the affiliation of Television Station WWSB with the ABC Television Network, dated September 27, 1994, and ABC and you agree to continue the affiliation pursuant to the terms of the Primary Television Affiliation Agreement between ABC and you dated July 14, 1989, as amended (the "Primary Agreement"), and ABC and you further agree upon the following amendments to the Primary Agreement effective April 1, 1995:

A. Section II(1) of the Primary Agreement is hereby deleted in its entirety and replaced with the following:

We agree to pay you, and you agree to accept, compensation in accordance with the provisions set forth in Schedule A attached hereto and hereby made a part hereof. During the Original Term (as that term is defined below), the network station rate for your station shall be \$158.00. If this Agreement is continued for the Renewal Term (as that term is defined below) pursuant to Section VI(2) of this Agreement, the network station rate shall be \$316.00 during the Renewal Term. The network station rate shall be used by us in determining your station compensation in accordance with the formula set forth in Schedule A.

B. Section II(3) of the Primary Agreement is hereby deleted in its entirety and replaced with the following:

3. For each year, from April 1 to April 1 of the following year, during the term of this Agreement:

(a) Your station will maintain the same level of clearances of ABC network programs as it did during the period from April 1, 1994 to March 31, 1995 (the "base year").

(b) Your station's preemption levels for network programming will not exceed its base year preemption level.

(c) Nightline will be cleared on a "live" basis.

C. Section VI of the Primary Agreement is hereby deleted in its entirety and replaced with the following:

VI. Term

Subject to the parties' rights of termination as set forth in this Agreement and to ABC's right of termination set forth in Section VI(4) below:

1. This Agreement shall become effective at 3:00 AM, NYT, on the 1st day of April, 1995, and it shall continue until 3:00 AM, NYT, on the 1st day of April, 1998 (the "Original Term").

2. This Agreement shall continue for an additional term beginning at 3:00 AM, NYT, on the 1st day of April 1998, and ending at 3:00 AM, NYT, on the 1st day of April, 2001 (the "Renewal Term"), if the following conditions are satisfied:

(a) The Weighted Average (as that term is defined below) of WWSB's household share in Pinellas and Hillsborough Counties (the "Tampa Counties") as reported in county coverage analyses supplied by A.C. Nielsen for February, May and November, 1997 (the "Special Report") does not exceed a one (1) share in at least two of the three Measured Dayparts (as that term is defined below). The "Weighted Average" shall be the average weighted by the number of households in each of the Tampa Counties. The "Measured Dayparts" are (a) "ABC World News Tonight" (Monday-Friday, 6:30-7:00 PM time period), (b) prime time (Monday-Saturday, 8:00-11:00 PM and Sunday, 7:00-11:00 PM time periods), and (c) "Nightline" (Monday-Friday, 11:30 PM - 12:00 Midnight time period). ABC shall contract with A.C. Nielsen, and be solely responsible for all costs associated thereto, for the Special Report. ABC shall have the consent of A.C. Nielsen to make the data available to you and shall promptly forward via Federal Express, or similar express mail provider, a copy of the Special Report to you. An example of the Weighted Average is attached hereto as Attachment A.

(b) SBC's average household share in Sarasota County for February, May and November, 1997 as reported in the Special Report for "ABC World News Tonight" (Monday-Friday, 6:30-7:00 PM time period) shall exceed a 25 average share and for "Nightline" (Monday-Friday, 11:30 PM-12:00 Midnight time period) shall exceed a 15 average

share.

(c) For purposes of the analysis in Sections (a) and (b) above, the parties assume that both WWSB and WFTS have been on the air with their regular licensed facilities continuously during the periods covered by the Special Report; if either station has been off the air because of force majeure events, those periods will be deleted from the Special Report.

(d) The three conditions set forth in Section II(3) of this Agreement were satisfied by WWSB at all times during the Original Term.

3. ABC shall notify you, in writing, within ten (10) days after receipt of the Special Report of its initial analysis of the Special Report. SBC shall have five (5) working days to respond to ABC's analysis, if necessary, in SBC's sole determination. ABC will not make its final determination of whether or not SBC has complied with the objective test as described in Section VI(2) (a) and (b) until after it has received SBC's response.

4. If any of the three conditions set forth in Section VI(2) above are not satisfied, we will give you written notice to such effect which notice shall set forth the date on which this Agreement shall terminate. Said termination date shall be no less than six (6) months after the date of such written notice. The Original Term shall be deemed extended for the period from April 1, 1998 to said termination date.

5. If, at any time during the period from August 15, 1999 to April 1, 2001, you fail to satisfy any of the conditions set forth in Section II(3) of this Agreement, and we give you written notice of such failure, you shall have thirty (30) days from receipt of such notice to return to complying fully with such conditions. If by the end of such thirty (30) day period, you fail to return to complying fully with such conditions, we shall have the right, in our sole discretion, to terminate this Agreement upon no less than ninety (90) days written notice to you.

D. Section V of the Primary Agreement is hereby amended by adding the following new paragraph:

17. SBC will be given the same opportunity as other affiliates to participate in existing and future "affiliate-wide" promotional programs whereby the network provides the affiliate body assistance in promoting the network on a local basis. "Affiliate-wide" programs do not include special promotional assistance negotiated between ABC and a particular affiliate or group of affiliates. With respect to print ads,

if any, placed by ABC (as distinguished from ads placed by affiliates) in the Sarasota Herald Tribune for ABC television network programming, ABC will endeavor to ensure that such ads name WWSB as the ABC station. In the event such an ad appears that does not name WWSB, SBC's sole remedy shall be to require payment from ABC in an amount equal to the cost of the ad.

Except as herein amended, the Primary Agreement shall remain in full force and effect on all its same terms as therein stated.

Re: Fee Control # 000000BCB-98-070

Mr. Stone:

This will respond to your request for waiver and refund of the filing fee submitted on behalf of Stone Communications, Inc. ("Stone"), licensee of WJML(AM), Petoskey, Michigan, in connection with its major change application.

You state that Stone had filed its major change application to provide nighttime power for WJML. You further state, and our records reflect, that Stone had received a waiver of that associated fee based on the fact that WJML was a "struggling," small market, stand-alone, daytime AM station, and was unable to bear the associated \$2,590 filing fee. Finally, you represent that WJML is still struggling, as evident by the fact that it "had operating losses in excess of \$30,000 in both 1996 and 1997" and thus that the imposition of the additional fee associated with the current Form 302 application would be financially burdensome.

Section 1.1116 of the Commission's rules, 47 C.F.R. §1.1116, provides that a filing fee may be waived only upon a showing of good cause and a finding that the public interest will be served thereby. See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, 2 FCC Rcd 947, 961 (1987). Section 1.1116 further requires that an applicant seeking waiver of a filing fee include the applicable fee with its waiver request, and provides that the fee will be returned if the waiver is granted. See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, 5 FCC Rcd 3558, 3572-73 (1990). Although you did not include the filing fee with the instant application, given our prior determination of financial hardship and WJML's continued operating losses, we find that, under the circumstances, Stone has substantiated its claim of financial hardship and thus demonstrated good cause for waiver of the filing fees. Moreover, we find that waiver of the fee requirement will serve the public interest by enabling Stone to provide full-time community broadcast service.

Based on the foregoing, your request for a waiver of the filing fee is granted. If you have any questions concerning this refund, please contact the Chief, Fee Section at (202) 418-1995.

Sincerely,

Mark Roger
Chief Financial Officer

Re: WJML (AM), Petoskey, Michigan

Dear Sir/Madam:

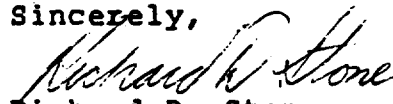

This is a request for waiver of the filing fee for the accompanying Form 302 Application for AM Broadcast Station License.

This waiver is requested for the following reasons:

1. The application is to authorize a nighttime power of 10 watts for the existing WJML station. This tiny nighttime power had been granted to many stations in previous years without formal application or cost, but presently the policy is to go through the formality of a Construction Permit (even though no construction was needed).
2. WJML is a small market stand-alone AM station that continues to struggle financially. It was burdened with significant engineering consulting expense to provide the Commission with the data for both the Construction Permit application and the accompanying application.
3. The Commission granted a waiver for the Form 301 Construction Permit fee based on the above reasons. (February 28, 1996 letter is attached). This Form 302 is needed to complete the 2-step process within the Commission.
4. The station's financial picture is still accurately reflected by the financial data submitted to the Commission in 1996. The station had operating losses in excess of \$30,000 in both 1996 and 1997.

Should any questions arise, please call me at (616) 348-5000.

Sincerely,

Richard D. Stone
President
